

FIRST GRADE

Please note: Estimation and problem solving strategies should be included In number sense/computation, measurement and algebra standards.

NUMBER SENSE/COMPUTATION

	Textbook pages	Additional resources and activities	Assessment
Read, Write and Represent Numbers			
Read, write, recognize and model equivalent representations- whole numbers up to 1,000			
Recognize and name common fractions ($\frac{1}{2}$, $\frac{1}{4}$, $\frac{1}{3}$) from pictorial models			
Order and Compare Numbers			
Order and compare whole numbers up to 100			
Number Operations			
Skip count by 2, 5, and 10			
Solve problems, word problems, and number sentences - addition basic facts-			
-subtraction basic facts			

FIRST GRADE

MEASUREMENT

Please note: Estimation and problem solving strategies should be included In number sense/computation, measurement and algebra standards.

Use Measurement Tools and Units	Textbook Pages	Additional Resources and Activities	Assessment
Measure using non-standard units (i.e. paper clips, inch worms, etc.)			
Measure length to the nearest inch			
Time (nearest hour, half hour, and calendar terms)			
Identify and express values of coins			
Add (count) coins up to \$1.00			

FIRST GRADE

ALGEBRA

Please note: Estimation and problem solving strategies should be included In number sense/computation, measurement and algebra standards.

Patterns	Textbook Pages	Additional Resources and Activities	Assessment
Describe, complete, and extend patterns			
Tell what is missing in a pattern			

FIRST GRADE

GEOMETRY

	Textbook Pages	Additional Resources and Activities	Assessment
Properties of Single Figures			
Identify 2-D and 3-D shapes			
Coordinate Geometry			
Describe relative positions in space (e.g.,  is to the right of )			

FIRST GRADE

DATA ANALYSIS AND PROBABILITY

Read and Interpret Displays	Textbook Pages	Additional Resources and Activities	Assessment
Read, interpret, and represent data in a pictograph			
Read, interpret, and represent data in bar graph			
Read, interpret, and represent data in tally chart			
Read, interpret, and represent data in table
