The Regional Office of Education #3 and #40 McKinney-Vento program County Resource Directory provides a listing of up-to-date available food pantries, medical services, housing and community resources to help with referrals for your homeless students and/or families.

Another great resource is findhelp.org. You can type in your zip code and access all types of resources for your area.

If you cannot locate a particular resource or service you need, or if you need additional help, contact your Regional Homeless liaison, Mary Adams at 618.283.5011 or your Area V Homeless Liaison, Angela Reeter at 618.283.5011.
